

**Oklahoma Pulse Softball is looking to complete our current 18U roster, 16U roster, and \*NEW\* 14U roster!**

We are a 3<sup>rd</sup> year organization that has a life changing vision that you do not see in the softball world too often. Our vision is to use softball as a platform to help players get to college, but more importantly, the platform is used for spiritual growth and moral development first. Our organization believes “But seek ye first the kingdom of God, and his righteousness; and all these things shall be added to you.” Matthew 6:33. We strive to spread the philosophy that all of our athletic abilities come from God and we must first seek a relationship with Him. By seeking a relationship first, the scripture states that “all these things shall be added to you” meaning that everything else will fall into place – including everything we strive to get out of softball. We put a large emphasis on Col 3:23-24 which teaches us that everything we

do in life shall please God rather than man or ourselves. Therefore we teach that all effort that is given through practice and competition should be to glorify God, not to please ourselves, coaches, or parents. Our players buy into the idea that giving anything less than maximum effort would not be pleasing to God. This is our message that we strive to portray each and every time we step on the field no matter practice or games. The athletes that buy into this philosophy are what college coaches are looking for. If you would like your player to play a high level of softball and grow spiritually, we are looking for you. We will play a competitive schedule consisting of various tournaments. We also have team Bible Studies throughout the season.

**2019 Accomplishments**

- Shared the Gospel
- 4 seniors signed with D2 colleges.
- Spiritual Growth in Players
- A strong returning core of players from last year
- Team Website to promote players

**OPEN PRACTICE DATES**
